Subject: Microsoft ISV Program Notification

Microsoft

We are pleased to confirm that you have been accepted as a Startup in Microsoft's MSDN ISV Program. As a member of this program you can expect to receive many opportunities, both technological and business, from Microsoft.

If you have indicated on your application that you are seeking funding, we will post your company and product information on a private webpage that we direct the venture capital community to. If you are seeking funding but you do not want your company listed there, please reply to this email immediately.

Please expect a welcome kit in the next 7-12 business days. In the meantime, please email us with any questions or concerns at msdnisv@microsoft.com.

Thank you for partnering with Microsoft.

The MSDN ISV Team
