### Vision Quest Selected as 3Com Partner of the Week!

In a letter dated 11/10/99 from Deandra Rutan, 3Com Partner Access Program Specialist, she stated "We are proud to announce that Vision Quest is 3Com Corporation's Partner of the Week. Your 3Com Partner Profile is live on our 3Com web site at [www.3com.com](http://www.3com.com) and is highlighted in our new 3Com Radio Program in this weeks broadcast."

She continues "We will be showcasing your company's unique benefits to the thousands of visitors who hit our web site daily. 3Com Radio is a new Universal Benefit to the netWorking Partners Program. This exciting new

web-based tool is a weekly on-line audio program giving you quick, up-to-date broadcasts highlighting the most current channel programs, promotions, news, sales and technical tips."

In a statement from Allan Browning, COO for Vision Quest, he states, "We have only been a 3Com Partner for a short while and we are proud to have been recognized as 3Com's Partner of the Week. This recognition demonstrates our commitment to our customers by providing them with quality solutions with a national reach and the strength of our relationships with our strategic allies."

For more details visit Vision Quest's web site at [www.vqitinc.com](http://www.vqitinc.com) and click on the 3Com Radio or stop by the Press Release section. While you're there, be sure to check out our services and specials!

### What is DSL?!

DSL, you've probably heard of it by now, but do you know what it is? At prices starting as low as \$124.00 per month for small business, you can afford it!

Digital Subscriber Lines are fast becoming the preferred way Small Businesses are obtaining dedicated connectivity via the Internet. At speeds rivaling full T-1 lines (1024 KPS) at a fraction of the cost, DSL not only allows small business the ability have high speed internet access, but also makes it affordable to have remote access to data and dedicated connections to remote offices for Wide Area Networking.
