DISTRICT SITE WINS WEB AWARD

For the sixth consecutive year, the district has won the Gold Web award from the American Association of Webmasters for its Web site - www.tustin.k12.ca.us.

The Gold Web award is given to sites whose Web design, originality and content have achieved excellence. The district site features calendars, district profile, school site directory and map, board of education meeting agendas and information, district programs and departments, parent and student FYI sections, employment opportunities and other general information.

The site is under the direction of Mark Eliot, director of communications and public information officer for the district, with creative support from Vision Quest Integrated

Technologies Inc. in Tustin.

FOOTHILL HIGH FUND KICKS OFF CAMPAIGN

The Foothill High School Education Fund has launched its annual fall contributors' campaign and is working toward a \$100,000 goal for the 2007-08 school year. The organization will use the donations to fund academic programs and classroom needs at Foothill High, including the purchase of science materials and lab supplies, musical instruments, staff development and technology upgrades and repair.

In addition to contributions made by Foothill families, the Education Fund welcomes support from the community. Checks should be made payable to the Foothill Education Fund and mailed to: Foothill Education Fund, P.O. Box 1969, Tustin, 92781. More information: www.tustin.k12.ca.us/foothill and click on the "FHS Ed. Fund" link.
